

# Sean Graves

## BIO:

Sean Graves is producer, podcast host of “Inspire with Sean,” author, athlete and founder of Conundrum Studio, and the music project PostOmnis (2000-present) along with his own self released classical music.

Enchanted by music since his childhood in Bitburg, Germany, Sean began writing music as soon as he could record. After one off demos and uploads on classic audio websites such as Sony’s AcidPlanet, Youtube and Myspace while

living in Moore, Oklahoma, US. These efforts provided him the tools to expand his projects into world-wide digital markets such as iTunes, Deezer, Amazon and online radios including iHeart Radio, Spotify and Pandora.

These efforts included PostOmnis’ albums: “Insomniac People” (2008), “Equilibrium” (2012), “Not Another Downpour” (2015), “Reasons to Believe” (2018), and currently recording new sonic ethereal music.

After taking a short break, Sean Graves returned to the music scene fiercer and more committed than ever. This album reflects a new turn in his career. With Colourless Kaleidoscope (2018), he created some of his most compelling work to date. Listen and enjoy the superior sound quality this album has to offer. The long awaited sophomore album by Sean Graves comes to life in this next chapter. "The Other Side" (2020) offers new classical based music with extra surprises for a new audience. Written during his 2019 world tour, Sean composed and recorded these songs along the way.

Into the new decade, and his first try at authorship of the book "Being Happy," Sean took finding happiness to a whole new level by teaching if you cultivate 'well-being' you'll never have to search for happiness.
